

August 2024 Newsletter

I've had a good summer! What is left of it, and making the most of the season with a trip to Portsmouth today as I put this Newsletter together and will be having some well-deserved time for me while my son enjoys his Holiday Club next week, and means going on more walks.

Yesterday we walked from Strawberry Hill to Richmond and really enjoyed it, used one of my photos I took on our walk as the cover for this newsletter and there is a vlog on its way showing where we walked and just having some family time.

With my son going to his holiday club, means I can do some decluttering and giving my room in Wimbledon a makeover with autumn and embrace the change of season; it's a great way to refresh your space and celebrate the changing seasons.

Embracing each season with its unique charm can make your home feel cozy and inviting.

So going to enjoy our time in Portsmouth and the process of redecorating—it's a perfect way to transition into the new season with a sense of renewal and joy.
