

Post Holiday list for school and Home:

Get the kids ready to return or to a new school. Check uniforms and if you need more items.

Unpacking day and a laundry that will be put away until another year

Do a declutter whilst you unpack like Seasonal decor and get the home ready for the new

Have a reset on tasks unfinished that you want done during the colder months that you didn't get done in the summer, like planning your budget and setting new goals for the new season.

Get back to the normal routine if been away and adjust to the time differences if been abroad.
