

# Cozy Comforts

I love the Cozy Autumn and Winter days. The weather has changed and I got a bit of a cold so here are some of my Cozy Comforts that you may find you like aswell.

- A festive coffee or hot chocolate. I usually go for a Blackforest Gateaux
- Cup of tea and a magazine
- A good festive movie. You Got Mail or Groundhog day
- Festive food market
- Winter cider or a Mulled Wine
- Crumpets
- Crackers and cheese
- Stew or a Casserole
- Roast Dinner
- Nice hot bath with bubble bath or bath salts
- Winter walk
- Cake and custard
- Rice Pudding
