

What to do on a Rainy Day

- Do a slow cooked meal with family
- Get the blanket and pillows and veg out on the sofa with some picky bits
- Watch a concert. I do this often on Youtube and on a Sunday after my radio show
- Do a deep clean of a room and put on an audiobook
- Have a PJ day and catch up on some reading
- Watch or listen to a playlist
- Have a playdate at a Softplay center
- Go to the cinema or theatre. Each year we go to see a Pantomime
- Go on a bus ride and have a pub Sunday Roast

It is good to have things planned and have a Plan B incase of wet weather.
