

# FEBRUARY NEWSLETTER 2026

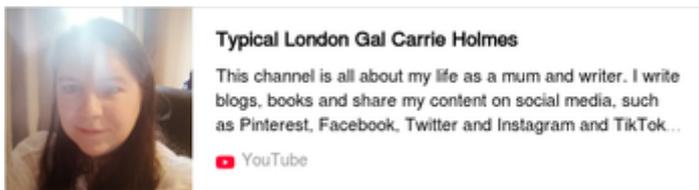

Hello and Welcome! So how many of you celebrated Valentines Day? I'm not a lover of Valentines Day so helped my mum and step dad with moving and because it was half term we went to the Cat Cafe and to the Theatre and saw a show called The Boy At The Back of the Class. It was okay and the actors were good, but Henry my son didn't really understand it.

It is about a boy who is a Refugee and is bullied because of that and then he is supported by a girl and her friends and they go in search for his parents as when he was travelling to England didn't know where they were. It was great to see, but as my son wasn't that keen.

It was at the Rose Theatre. The Cat Cafe was in White City and most of the cats were sleeping and so we weren't allowed to disturb them but it is a really good place to visit. They are all rescue cats and you can adopt them.

My son will be starting school. He didn't get a place in September so has now and it is going to be a big transition but I feel good about it. He is a bit worried and he liked it too so means letting his uniform be labelled and means as my son is not a fan of walking now, going to be doing my morning walks and have time to sort out my home. I am sorting out my bedroom and my sons, so will be getting that done.

It also means more Vlogs. Click here to visit my channel and please Subscribe Below:
