Thing I like to do in the Winter

- hibernate a little and layer up with a blanket
- Watch a Winter/Christmas movie
- Get some cleaning done and decorate
- Going for walks and having a festive hot drink
- Go on bus tour to see the Christmas lights
- Giving to others and doing a Christmas Radio show and listening to festive songs
- Watching a sport
- Extra reading of a good book
- Having nice roast dinners
- Getting ready for the new Calendar new year as I tend to go by the Academic year
- Change bedding and put on a thicker duvet
